Rules Deviation

❖ Late start policy

❖ *Rule deviations/special rules:* For all the athletes **except Elites** – if it is still possible to start at the original minute, the athlete will be positioned in the start corridor in accordance with the start minute he/she has, if not, they will start in the next available 30 second slot, but the original start time stands and will be utilised to calculate the result

❖ **see next slide for Clarification for the Elite**

Rules clarification for the Elites:

❖ Elite Late Start Rule for this competition:

- ❖ The late athlete will start 10 minutes after the last elite athlete starts.
- ❖ A look through the start list for a free slot will be done as a check if any other chance exist to start sooner
- ❖ Our decision it is based that the elite new start time must not interfere with other riders (ie not on a 30 sec or between two other riders interfering with the time difference defined and use in the .

❖ Extract from the Rules

❖ 22.9

- Competitors who are late for their start time through their own fault shall be permitted to start. The organiser will determine at which time they may start, considering the possible influence on other competitors. They shall be timed as if they had started at their original start time.

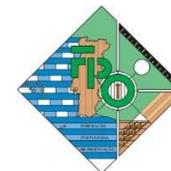

❖ 22.10

- Competitors who are late for their start time through the fault of the organiser shall be given a new start time

Terrain Description

- ❖ The event take place in combined urban and farmland / scrub area with multiple paths, open areas, buildings, and numerous man made features. Some steep areas with technical up or downhill sections, including potentially unridable steps.
- ❖ Thorny vegetation can be found, therefore puncture protection is strongly recommended.
- ❖ All the competitions area is open to public traffic. The courses cross and use several public roads. There will be marshal's with whistles at the most critical places to help safe crossing and minimize disruption.
- ❖ Riders should follow the instruction of marshals. Still, it is the riders' responsibility to observe traffic rules and avoid unsafe practices.
- ❖ As in any village some dogs may be found, chained or loose. Efforts will be made to ensure owners restrain them during the event.

Warnings

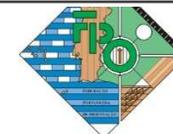

- ❖ **Sections of the course will take place in the old part of the village, on very narrow streets with close angle corners, all riders need to pay special attention to the possibility of an unexpected resident exiting of their house or walking on the street.** An announcement of the competition was done with several notices for the possible danger to the local population but we cannot control that there will be no movements in the streets and that a car will not block one of this passages, although extra effort will be made on the morning of the event.
- ❖ **On critical and more dangerous passages routes and junctions there will be marshals with whistles present to control the traffic and announce the presence of any possible obstacle or arrival of a car.**
